## Soil Sample Information Sheet for Golf Courses and Industrial Lawns

Please Type or Write Legibly (Form expires July 2021)

185 Ag Quad Ln, Blacksburg VA 24061.

Use another form for commercial sod production. Processing will be delayed if soil is not received in the lab's sample container. For a recommendation, be sure to fill in the turf code number. Each sample must have its own form. For more information, go to **www.soiltest.vt.edu** or contact your local Virginia Cooperative Extension office.
